PrimeStar[™] Advantage Network

Individual Dental Insurance

Research shows that good dental health is essential to your overall health. Protecting your smile starts with regular visits to the dentist, and a good dental plan.

- No waiting periods
- No enrollment fees
- Ameritas dental network savings

Dental Network Plan Options

PrimeStar Advantage brings you the Ameritas dental network with features like:

- Discounted fees, typically 30% below average charges in your community
- Immediate network discounts
- One of the largest nationwide networks with over 425,000 access points and over 110,000 unique providers

Advantage Network plans are designed for those who will visit an Ameritas dental network provider. If you visit an innetwork provider, your out-of-pocket costs will almost always be less because of the contracted fees (MAC/maximum allowable charge). If you visit an out-of-network dentist, you pay the difference between what the plan pays (MAB/maximum allowable benefit) and the dentist's actual charge, which may result in higher out-of-pocket costs.

Visit **star.ameritas.com/findadentist** to find a network provider near you.

Network not available in the PA counties of Forest and Potter.
